DECEMBER 2009 / Vol.18 No.12

It's like a sexy arms race in *Confidential* this month. Chrystal (p136) takes on one cock, Jenna Jameson (p84) handles a couple of honeys and their holes, but Cory (p20) trumps them all with an eye-watering triple-dicking that leaves her airtight. We checked – no air was getting in or out of any of her holes. We figure Savanna Samson (p14), given half the chance, would go for four dicks, while Chanel St. James and Anita Dark (p42) could easily soak up five loads. Whether it's porn stars, amateurs, newbies or just plain ol' sluts, *Confidential* cunt just gets nastier and nastier...

SAVANNA SAMSON

HOW MANY 42-YEAR-OLDS ARE A) THIS HOT AND B) PREFER THE BIGGER OF TWO DICKS TO BE IN HER ASS? YUP, VIVID CONTRACT COCK-HOUND SAVANNA SAMSON IS ONE UNIQUE WOMAN...

Savanna enjoys a meat feast in Vivid's *Gotcha*.

HEIGHT: 5'5"
WEIGHT: 120 pounds
VITAL STATS: 34C-24-35
HOMETOWN: Rochester, NY

Tell us how you got involved in the adult industry.
I moved to Manhattan to continue my dance training and studies in classical ballet. Then I started working as a dancer/stripper and I met so many people with open minds who made me realize that fantasies are okay, so I started fantasizing about seeing myself in a movie. I wanted to do one, but never thought of it as a career, so I wrote a letter to Rocco Siffredi because I figured I could go to Europe and make one movie and no one would know and that would be it. Then I went to AVN because the movie I did was nominated for Best Foreign Film and I met with Steve Hirsch shortly after that and he offered me a contract with Vivid. I thought I'd have to move to LA and do things I wasn't willing to do but they loved the idea of having an east coast girl and seven years later I'm still here!

What was that first scene like?
I knew it was going to be extreme because I'd seen Rocco's work and I didn't know how I'd be able to handle it, but it was a great experience. It was just Rocco and the cameraman so it was very intimate; there was no crew and the scene was really hardcore and rough, but what I did was amazing. I did three hours of anal with him in *An American Angel in Paris* and the second scene I ended up doing was two guys and I don't know how I did it! My first title for Vivid was *Girl of My Dreams* and I worked with Anton, an Australian, bald, beautiful man, and Mickey G.

How much experience did you have off screen? Had you been with two guys before?
No. I'd been with a girl and a guy but never with two guys. I was with a man who made it clear that he liked women and needed to be with women; what he meant is he wanted to be with another woman and me. I had always fantasized about being with a woman and I was willing to try. The first experience was so natural and so beautiful that I was shocked at how wonderful it was.

Your fantasies brought you to where you are today. Do you think you've fulfilled them all?
Yes, I think I have. Now I want to do it in romantic settings, like under a waterfall or on tropical islands. That's where my fantasies are now. Another thing that I've never experienced is that Prince Albert thing with the ring in the cock. I've never done that and I've seen one, but not hard. I don't know where I'd draw the line. I do pretty much whatever, within reason. I'll draw the line when something's presented to me that just doesn't feel right.

What's the most people you've ever been with in a scene?
Not counting the Vivid girl orgies, I think six men is the most. In *Savanna Samson Superstar* I work with six men and in *59 Seconds*, you can see the hottest scene ever with me and five guys where I'm very much in control and I'm enjoying what I'm doing, I really am. I don't think I could ever top that, nor do I want to; it was fulfilling and pleasurable.

Do you consider that one of your best scenes?
I put so much into all my scenes but yes, *59 Seconds* is one of my best. In that movie there's also a scene with two girls including Hillary Scott and that's great too. Probably my best scene ever is in *The New Devil in Miss Jones*. It's a threeway right after the wild group scene and in it I do the monologue that Georgina Spelvin did in the original *Miss Jones* while I get DP'd. There's also a movie called *Power* with a lot of good scenes in that as well.

Do you still enjoy masturbating?
Oh yeah. I don't spend a lot of time doing it, I just do it as

Sitting pretty in Vivid's *Shooting Savanna*.

Savanna hopes Jay Huntington lasts a little longer than *59 Seconds*.

Journal-plaza.net

Careful, Savanna, you're spilling it.

an emotional necessity or something. I have a very vivid imagination about the people I lust over and I'll just be thinking about someone and there I go! I use toys or fingers, I like the little vibrator that has a little hooked curve at the end. I don't stick it in there, just use it wrapped around the clit for the vibration.

Is it easy to make you cum? Do you get off in your scenes?
I get off in a lot of them, but not all of them. It's always my goal. I want to cum in every scene and I usually find a way to, though sometimes it takes longer to get there.

Do you have a favorite position for sex?
On top I can always cum – and really quickly. I love to be on top but sometimes I cum too quickly, so the one that still remains my favorite is spoon with the guy behind me, in my ass and somebody – or a vibrator – on my clit.

What turns you on?
Kissing of my neck and all those areas that you forget about. Nibbling on the ear. Going right for the tits doesn't really do it, you have to work your way there. I get turned on when I'm mentally stimulated as well. You can be the most gorgeous guy in the world but that doesn't mean you're going to turn me on as much as a guy who's not as attractive but does something to stimulate my brain.

Do you prefer one-on-one or having multiple partners?
It all depends. If I'm just going to have a purely sexual experience and not with someone I'm caring about personally, then there's more things to do when there's more than one person.

You do anal and DP's; does size matter?
On camera I prefer a big, fat cock because I think it looks better stuffing it in there and everything. Even when I'm working with a couple of guys, I will pick the guy with the bigger cock to go in my ass because once I'm into it and relaxed it doesn't matter how big it is. That's great on camera, but otherwise I just prefer a normal size and if it's too small you just better be good in other areas. I can adjust to any size now. I've learned how to squeeze it enough to make myself feel good if it's too small or relax enough to handle it when it's too big. Don't worry about your size, 'cause it's fine.

Who are your favorite people to work with?
Nowadays there's so many new guys and new faces that I trust the way Vivid does the casting for me because they know what I like. When they pair me up, it's because they want somebody new and exciting for me and they think that we'll be hot together. I always like when I'm working with Rocco or Marco Banderas because I know it's going to be a great scene. I would love to work with Dale Dabone again because we always had this chemistry together. I loved working with Hillary Scott, but as long as a girl enjoys being with women I'm happy to work with them. When you're with a girl who loves the female body and is not afraid of anything and will go for it and has passion, the scene is amazing.

Is there anyone you'd like to work with that you haven't had yet?
I could list a bunch I want to work with who aren't available to me, either due to my contract or their own. The one person I was very disappointed not to work with was Janine and I also haven't worked with Sunny Leone. I would like to work with her because she's very much into girls.

Do you like to dominate or are you submissive?
I don't really like to dominate. I like to just be told what to do. In life I want things the way I want it. In bed I wish I could be more in control and I should definitely be more verbal.

What type of sex scene do you prefer, soft and sensual or rough and hard?
I want both. When it is rough, it ends up more intense which is better for a scene. I think a love scene can possibly be boring to watch.

A klose-up with Kimberly Kane's kreamy kunt.

If it amps up and starts to be intense, then it's going to translate that way on screen. If they have to direct you to kick it up a notch, then you realize it's a little boring.

What makes a Savanna Samson scene special?
I put so much into my scenes and it's so real. I want all my scenes to be as true and real as possible and I think that really reads.

What do you do to maintain your body?
Lately I've been doing yoga. As a ballet dancer I always had this idea of yoga as boring, but I found this incredible studio and it's amazing. I'm getting so strong and so loose and gaining arm strength so it's great. On top of that I run and do cardio. I still feature dance, too.

Tell us about some of your other projects.
Savanna Samson wine is on its third vintage and each one is better than the last, which is great. I also made a CD that should be out by the time this is published; a song called *Possession* is available already on iTunes. An upcoming movie, one of these titles with no dialogue that turned out so great, is *Gotcha* with a crazy DP scene in a laundromat with Voodoo and Mick Blue. *Miles to Needles* is a weird little movie directed by B. Skow where I just had the most fun. The location was beautiful, everyone was so great on the set and it's one of these thrillers that was really quite fun to make and I love shooting for that director. Vivid has opened up so many doors for me, I've had some amazing experiences being a Vivid girl and I think there's a certain respect that comes along with it that's perhaps given me more opportunities than other porn stars.

"I want a dick in each hole, and I want it now!"

Cory isn't leaving her fuckbuddies Frank, James and Frank (yep, two Franks are better than one) in any doubt as to what she wants today. Not that they didn't know anyway – she's an insatiable slut whose lust for cock knows no bounds. Even without making it clear, chances are she was gonna wind up airtight anyway.

Those cocks aren't going into her pussy and ass until they've been thoroughly sucked first though, Cory reveling in the different lengths and thicknesses, her lips stretching around each in turn as they fuck her face, her hands busy on the other dicks keeping them at maximum hardness.

Frank 1 moves behind her to stuff her pussy full of rod, but after only a dozen or so strokes she's telling him to get in her ass. He obliges, watching her ring open up around his thrusting meat, then Frank 2 breaks away from her mouth to take up residence in her pussy. With James balls deep in her mouth, she's cramming in record amounts of cock, and cumming again and again. In fact, she gets so hot that the guys have to train their hoses on her and take turns to cool her down with some sticky cum... ♠

AMATEUR DVD DEN

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

JIZZ RATING

CUM BLAST!
A TORRENT!
A NICE SPLAT!
A DAMP PATCH!
A DRIBBLE!

There seems to be some confusion among porn studs about where to shoot their load. The order is simple and set in stone: mouth, face, tits, ass, pussy, stomach, foot, your own damn belly. That said, anything except the first three is pretty much a dereliction of duty...

DOUBLE PLAY 7

STARRING: Bella Ling, Elli Fox, Gianna Lynn, Jaelyn Fox, Jessica Young, Kiki Vidis, Lana Violet, Lindsay Kay, Rachel Roxxx, Sarah Shine, Alex Gonz, Anthony Rosano, Mark Ashley.
DIRECTED BY: Mark Ashley.
AVAILABLE FROM: Digital Sin.

THREEWAYS / PUSSY POKIN'

Oh, life must be hard for a porn director. Actually, it must be frustrating for some of them. I know of some porn camera guys who film stars taking dick every day, but never get so much as their fingers wet. That's like going to the candy store wearing a ball gag. Mark Ashley isn't one of those guys. He directs this movie, but he also makes sure he's a large part of the cast. And such a selfless move deserves not just one girl on the end of his cock, but two. Is there no end to his sacrifice?

Bella Ling and Lana Violet are the first coupling to share his cock, although neither of these chicks knocks me out of the park. I'm not saying I wouldn't let them shine my dick to a lustrous finish, but I don't think I'd stop playing my games console while they did. It's not the most searing scene to start things off, either.

Mark steps aside for the second scene, letting Alex Gonz wet his dick in the cute couple that is Elli Fox and Jaelyn Fox. No relation, we presume. These fresh-faced fuckstresses make for better eye candy, and Alex does what he has to do.

I'd stop doing pretty much anything if I had Kiki Vidis on the end of my dick. She's like the second coming of Dani Woodward – if not quite as intense – and she's teamed with Jessica Young to give Antony Rosano a mighty good time. There's plenty of pussy-to-mouth, a good double blowjob and Kiki sure looks nice getting freaky.

The director has tired of not having his cock involved, so he's back in action when Lindsay Kay and Sarah Shine turn up in search of a stiff stick. There's nothing wrong with watching a couple of all-natural foxes go 50/50 on a dick dinner. The same holds for the final scene, where Rachel Roxxx and Gianna Lynn, the biggest names in this movie, flex their fucking chops with Mark. What a guy – he fucks two girls at a time so we don't have to.

SUMMARY: The fact that this series is up to number 7 proves that we don't tire of watching two girls work one wang.

BIG BUTTS LIKE IT BIG 3

STARRING: Phoenix Marie, Ricki White, Angel Dark, Felony, Britney Stevens, Bobbi Starr, Jordan Ash, Leny Ewil, Jerry, Mikey Butders, Johnny Sins.
DIRECTED BY: Various.
AVAILABLE FROM: Brazzers.

ALL ANAL / BUBBLE BUTTS

If they were handing out awards for titles – and I might be doing so in the near future – then Brazzers needn't bother hiring any tuxedos. They go for the 'it does what it says' approach, with titles like this, *Big Tits At School* and *Big Tits At Work*. Well, just label me *Man Who Jerks To Brazzers Movies*, because this one relieved me of my load – and then another for good measure – very promptly and rather messily.

It helps that filthbox Phoenix Marie is on booty duty in the opening scene, living cock fiend that she is. She's joined by Ricki White in a scene that riffs on a popular torture horror series. Although these two chained hotties merely have to get fucked in the butt, which they do with relish. It stays away from too much gagging and gaping, for which I am thankful, but this is A-grade anal from start to finish.

The next scene is a touch rougher, Euro babe Angel Dark chewing out the pool guy, who takes his revenge by sticking his cock in all three of her holes. He gives it to her good, and she takes it pretty damn well too.

Felony could use a better nom de porn, but everything else about her is on the money (it helps that she looks like Tiffany Mynx). She's a cheerleader who catches a nerd playing peeping tom. Unlike in real life, she doesn't call the police, but lets him ball her butthole instead. Good long-dick anal all the way here, with stellar piledriver the highlight.

Britney Stevens catches a couple of guys robbing her place and, again, the police aren't called, but poles are pulled out and relieved of their semen. She's to be admired for the ease with which she takes two pretty big dicks in her tightest of holes – again and again and again. Last up is gonzo queen Bobbi Starr, who doesn't need a hokey scenario to get her in the mood for a reaming. But she still gets both, with anal in cowgirl, doggie, missionary, reverse cowgirl and every which way but loose. Bobbi is awesome. Yup, Bobbi's Big Butt Sure Likes It Big.

SUMMARY: Corny but fun set-ups aside, this is primo pucker-packing without a weak link in the cast. Let your balls submit to it.

PEEP SHOW 3

STARRING: Asa Akira, Avy Scott, Dia Zerva, Evie Delatosso, Jessica Bangkok, London Keyes, Marie McCray, Erik Everhard, Sean Michaels, Toni Ribas, Steven French, James Deen.
DIRECTED BY: Mike John.
AVAILABLE FROM: Jules Jordan Video.

STRAIGHT SEX / GONZO

Anything from Jules Jordan Video, even when helmed not by the man himself but by compadres Mike John or Erik Everhard, is usually a no-brainer 5 out of 5 stroke-a-thon. So forgive me if I'm a bit freaked out by the fact that this latest release – great production values, good camerawork, two discs – leaves me cold. I'm not used to taking a Jules Jordan DVD out of my player with my sperm count still intact.

Then again, another watcher might go ga-ga for it, but for me the cast is hugely disappointing. I'm used to A-list all the way from these guys, while this barely gets up to B-list, with a smattering of C's and D's too. Asa Akira is probably the hottest of the lot, and gets stretched out by Erik Everhard in a decent opener. But the sex never really goes anywhere.

There's a bit more going on when Dia Zerva hooks up with Sean Michaels for some anal antics, but I dia-serva better looking broads than this when I'm watching something from the Jules Jordan stable.

Now, Marie McCray is cute – if prone to pulling some dumb fuck-faces – and it's a treat to watch her cope with two fat cocks at once. They ball this pale redhead something lovely, and if there's one scene worth the admission here, it's this one. London Keyes' scene isn't in the same league, mostly because I'm not too taken with this chick. Same goes for Evie Delatosso, although she has nice tits, and I found myself glazing over during her scene with Erik Everhard, rather than glazing the carpet, which is what I'd prefer to be doing.

Avy Scott was hot maybe five years ago, but I can't get my dick interested in a straight sex scene between her and James Deen, while Jessica Bangkok is A N Other Asian babe with an unlikely name. But I'm not worried; I know this is more likely a temporary dip in form than a sign that Jules Jordan Video is losing its edge. It shows that if you don't have a good cast, you need to do something special to pull it out of the bag.
SUMMARY: Let's call it a blip, but this cast just isn't up to the standard we expect from these guys.

MAKING AMENDS

STARRING: Alektra Blue, Brooke Banner, Kirsten Price, Mikayla Mendez, Tori Black, Brad Armstrong, Randy Spears.
DIRECTED BY: Francois Clousot.
AVAILABLE FROM: Wicked Pictures.

PLOT 'N' PORN / HOT GIRLS

The good thing about Wicked Pictures' current batch of contract girls is that, even if you're not entirely sold on the star of one particular movie (and I am sold on Mikayla Mendez, by the way), they usually pack the cast with a couple of others to sweeten the mix. So here we get Kirsten Price and Alektra Blue for the price of admission too. And when the only non-Wicked star is the very fucking cockadocious Tori Black, you're on to a winner. Unless they fuck up the directing, plot and sex, that is.

Well, the plot isn't all that. Randy Spears plays a total jerk. If he isn't cheating on his wife, he's exploiting people as a businessman. No one likes him and he doesn't care – until a near-death experience wakes him the fuck up and he decides to change his ways and be nice to his wife, Mikayla Mendez. Well, that's all well and good but, buddy, if Mikayla was my wife I'd be nice to her from the frickin' get go. She'd wake up to my head between her legs. Yep, I know how to treat a wife. I just need to get one.

I also know how to treat Alektra Blue, but Rocco Reed has beaten me to it here. Ms. Blue looks great, but after a few years as a gonzo star, her scenes for Wicked have so far been a little tame and this is no different. Tori Black fares better with Randy Spears, his veteran vag-stick going to work in this uber-cutie. She gives great head and Clousot captures it gloriously here, before the couple get to rutting, Randy gets to spraying, and Tori gets to swallowing. Meanwhile, Mikayla seeks solace in Brooke Banner's body. Standard studio lesbian fodder that it is, it's still mighty nice to watch. Just as nice is Kirsten Price doing pretty much anything. Brad Armstrong breaks her off some bone and then hoses her down. Sweet.

Last up, the now-happy couple bump uglies, although, to be frank, it looks like married sex and doesn't really end things on a high note. Cumming on her pussy? Randy, you better start making amends to me for that...
SUMMARY: It's studio porn with a plot by numbers, but perked up no end by a cast of surefire dick-hardeners.

THE FIVE

STARRING: Alexis Texas, Bree Olson, Jenna Haze, Sasha Grey, Shyla Stylez, Danny Mountain, James Deen, Johnny Sins, Mr. Pete, Scott Nails.
DIRECTED BY: Andre Madness.
AVAILABLE FROM: Adam & Eve.

A-LIST BABES / STRAIGHT SEX

If ever there was a cast built for cocks, this has it. Sasha Grey – anal freak turned mainstream darling. Alexis Texas – the best little bubblebutt in Texas. Jenna Haze – undisputed porn queen of 2009. Bree Olson – super-sweet contract cutie who can get nasty. Shyla Stylez – Canada's top porn export, big of butt and boob. So, this has to be a 5-spurter, right? Wrong.

The Five might boast five of the biggest attractions in porn right now, but they're somewhat squandered in scenes with no chemistry, over-fussy camerawork and poor music. Bree Olson's scene with Johnny Sins sets the bar for the movie. She seems to be working the camera rather than the stud – a good director will get a girl to balance the two – and the invasive music had me reaching for the mute button. She eventually takes Johnny into her ass – always a good thing to see – and he pops on it for good measure. Close, but no cigar.

Sasha Grey's cooler-than-thou persona can work great when the guy she's with decides to fuck it right out of her, and Mr. Pete gets things off to a good start by fucking Sasha's face and working up a good rhythm on her pussy too. But she remains passive, and when it didn't build to anal, I was more than a little disappointed. Same goes for Jenna's hook-up with James Deen. I've seen these two spark together, so this dull hump came as a bitter disappointment. Again, no anal. Again, a misplaced popshot.

There's some joy in the next scene as the combined buttage of Bree Olson and Shyla Stylez is paired together, with the extremely fortunate Scott Nails in the middle. Lots of dick-sharing and pussy-to-mouth before Scott goes on a fantastic voyage into Shyla's ass.

It's not Alexis Texas' fault the final scene loses this momentum again. She can be a little lazy on screen sometimes, but this time it's her stud who lets her down. She gives it her all, he just seems intimidated by her. It just goes to show – five stars doesn't necessarily add up to five stars.

SUMMARY: An incredible cast on paper, but only a couple of them really show up when it comes to fuck-time. Worth it for the Bree Olson scenes, however.

BUSTY HOUSEWIVES

STARRING: Angelina Valentine, Carmella Bing, Claire Dames, Gianna Michaels, Priya Rai, Alec Knight, Lee Stone, Manuel Ferrara, Mark Ashley, Mick Blue, Tony De Sergio.
DIRECTED BY: William H.
AVAILABLE FROM: Elegant Angel.

BIG TITS / INTENSE GONZO

So, after *The Five*'s example of how to waste a potentially ball-draining cast comes *Busty Housewives*, with another five seeming sure-shots. And how do they fare? Well, let's just say that I didn't stop at five tweaks of my reviewer's wand. The only thing squandered here was my seed upon the dusty ground. Also into my hand, a tissue and the carpet. And a sock.

Angelina Valentine takes care of the opener, letting handyman Mick Blue get a real close look at her plumbing. She looks as nasty and slutty as they come, and although the scene never goes to any extremes, her raw enthusiasm wins the day – well, that and the titty-fucking she gives Mick.

Covergirl Priya Rai has ridiculously nice tits hanging on a ridiculously hot frame. She sunbathes with some music on, until her neighbor comes over to complain. Well, he picked the right girl to complain to – she makes it up to him by slapping his prick between her rack, in her mouth, and then in her pussy. She starts squirting, he starts squirting, and then I do. Everyone's a winner.

Claire Dames is given two studs to play with, so the only surprise is that they don't go anywhere near her ass. Shame – she's a great anal ride – but there's still plenty to admire here as Alec Knight and Tony De Sergio take care of her other holes. Carmella Bing doesn't give her ass a rest, the curvy one seducing cop Lee Stone with a fake break-in story. He plays hard-to-get, but once he's nuts deep in her ass, hard-to-get turns into getting harder. Reverse cowgirl anal is the clear winner here.

I might as well not review the finale, Gianna Michaels spending some quality time with Manuel Ferrara. How is it not going to be great? Face-fucking, titty-riding, pussy pounding and a huge great oral cumshot turned facial – all these are present and correct and are making a mess of my home furnishings.

SUMMARY: Elegant Angel can do no wrong at the moment, especially with a heavily hootered cast of this quality. Now bring on that Gianna anal scene we know you've got up your sleeve... ♣

BOX OF CHICKS!

YOU CAN'T GO TOO FAR WRONG WHEN YOU MAKE YOUR LATEST PORNO ALL ABOUT PUSSY. ACME ANDERSSON JOINS VISAGE FILMS ON THE SET OF THE LOVE BOX AND FINDS THAT WHILE IT MIGHT NOT BE COMPLICATED, IT'S DEFINITELY CUNT-CRAMMED AND CREAM-COATED...

Here's what Katie did next: get fucked.

THE LOVE BOX

STARRING: Nautica Thorn, Sunny Lane, Savannah Stern, Brooke Haven, Katie Morgan, Lucky, Charles Dera, Eric Masterson, Kyle Stone, Tommy Gunn.
DIRECTED BY: Cash Markman.
AVAILABLE FROM: Visage Films.

Katie Morgan enjoys some organ.

There is nothing like a love box. That sweet, moist, magical place between a girl's legs that makes man's existence worthwhile. That fact has not been lost on our friends at Visage Films, who put full focus on the best part of a woman in the appropriately titled *The Love Box*. And when you're looking at ladies like Nautica Thorn, Sunny Lane, Savannah Stern, Brooke Haven and Katie Morgan, those parts are pretty amazing. While there is some lady love between Nautica and Sunny, the rest of the dolls get their rocks off with the real thing. Mouths, pussies and even asses get stuffed, and these ladies really know how to take a pounding. It's a recipe for success.

Katie and Nautica go to the video store looking for something to rent. When they get home and stick it in, they find something else being stuck in: Tommy's dick being stuck in Brooke's mouth right there on their TV. The girls are a little confused. "The guy at the store did say it was a love story... in a way," Katie remarks, but that doesn't stop them from chomping on their popcorn as they watch Brooke gobble on Tommy's prize.

Soon, Brooke's cooch is making way for Tommy's pistol, her lips expanding to let him get deep inside. And deep he goes, her sopping wet cunt taking his pole easily, his balls smacking against her ass as he slams it to her

standard style. Brooke slowly turns over – his cock still inside – going sideways and then somehow getting herself on top where she rides as she has some fun with her clit, spinning and twisting on it, working herself up toward an orgasm or three.

But she's not satisfied with pussy penetration and asks him to fuck her ass. She bends over on her hands and knees and Tommy gladly gives her an anal probing. Her ass opens easily and in no time he is deep inside, enjoying taking her from behind as she simply hangs on to the edge of the couch, moans and tells him how fucking good it feels. Then she gets on top, Tommy still prodding away at her ass as her pussy wings flap and she bounces, hooters staying solidly in place. "Oh... yes... oh... yes," she moans mindlessly, Tommy barely even hanging on to her hips as he simply lets her ride until he's ready to bust his nut.

It's a long ride before that happens, but when it does it's definitely worth the wait. She wants it on her tits, so when Tommy gives her the signal she jumps off and puts her tits right in front of his prick and he shoots streams of liquid love all over her whoppers.

Charles and Savannah snuggle up next to the fire and he reads to her from a cheesy novel. That soon leads to some kissing and when she bends over to stick her tongue down his throat, we see up her jean shorts that there is nothing there but her sweet poontang. By the time

Nautica Thorn proves that who Dera's wins.

Charles takes a Thorn from the side.

Moisturizer only works if you rub it in, Nautica.

Sunny takes a break from teaching Nautica how to tie a knot.

Nautica slides into Sunny's lane.

She always tastes better Sunny side up.

she's getting her mouth on his rocker, his hands work their way down her body and soon he, too, discovers she's not wearing panties. All the easier to play with your snatch, he thinks.

He wets a couple of fingers and begins playing with her no-longer-private place, but is soon distracted by her amazing oral skills. She gets so carried away it's hard to believe she'll actually let that cock out of her mouth, but finally she relents and gets on top, lowering her little pussy onto his dong.

She starts off riding somewhat fast, but then slows down, discovering the exact spot where his cock feels best in her puss as she plays with it and starts in harder. "Right there, that's the spot!" She rubs her pussy faster and harder. "Oh, shit! I'm gonna cum, that's it, right there!" She tames for a moment, then kicks it up again, grunting hard as she rides him to a reprise of her first orgasm. Charles lies there almost lazily, letting her do the work, but that doesn't last long.

She stands up and bends over a railing, one leg thrown over as he takes her from behind, Charles alternating speeds until he finds the right one and then Miss Multiorgasmic cums again and within the next couple of minutes manages to

moan her way through a couple more. All this cumming gets Charles in the mood and soon after her last one, Charles tells her it's his turn. She lets his dick escape her twat and turns around to greet his manly blast. It comes quickly and she's all smiles as the white stripes crisscross her.

It seems Katie enjoyed the movie rental a little more than Nautica, but she didn't go back to the store for another movie – she went back for the clerk. That lucky video guy is Eric and they have a somewhat public romp. She calls Nautica and Savannah to tell them what she's done (and about to do) and then doesn't hang up the phone. In one of those Pornoland twists, Nautica and Savannah are incapable of ending the phone call and are forced to listen to Katie get dirty with Eric over speaker-phone.

Oh, she's one aggressive gobbler and Eric isn't shy about how much he loves her cocksucking. The girl is enthusiastic and fun and even when it's just a view from behind, it's fantastic to look at her ass clad in skimpy undies. Of course, those things come off soon enough, and beneath her pink panties lies a pink twat that Eric happily licks and sucks. Through her ecstatic giggles she tells him he needs to fuck her, to stick the well-lubed rod right in her sweet spot. He smacks her snatch a couple times and then they turn things around.

Eric lies on his back and she slowly lowers down onto his rod. "It's so fucking tight," he tells her. She knows – hell, only half of his dick fits at first – but she's a determined girl and works it in, her lovely hole finally able to take his entire shaft. She plays around with her clit and then, with no warning at all, it's all inside and she's shouting for him to fuck her harder, to fuck her good, to fuck that tight twat. "Give it! Give it! Fuck me good!" Suddenly comfortable, she grinds on the cock, patting her twat as she cums on his dinger.

They move into a spoon and it looks like he might actually be able to drive it in deeper. She sounds like it and her words, well, they come out, but they are far from complete sentences. "Give... yeah... hard... so... fuck!" Sure, they don't follow the rules of basic English, but we all understand. She moves into doggie next and it's her facial expressions that win. The cock certainly looks great going into her girlhole, but the way she looks at him, the desperation, the pure passion, the way she starts to beg for his cum and how she needs to feel it on her ass is a huge turn-on for everyone involved. He does pull out, he does unleash the load and they are both happier for it.

Nautica's twat is soaked and spread wide like batwings by the time Charles gets his taster between her willing legs. He pulls them wide and plays with her hardening clit until she sits up, takes notice and then watches as he adds some fingers to the mix. She's at the edge, but chooses not to cross over, instead showing incredible patience and switching roles, letting his stabilizer get some quality time in her yapper.

She gets on top for an appetizer, squirming on his dick, squealing all the while, her ice cream scoop tits rubbing against his chest as she grinds up and down on him. "Oh my god, oh my god, don't stop, I'm gonna..." she can't finish the sentence, but we all know that it's about her cumming, which she so obviously does.

They turn around, Charles taking the top, his dick easily disappearing into her Asian flavor as she holds her legs up high and lies there, moaning ecstatically, so pleased with his punch. "Oh, that's the spot," she tells him. "Keep fucking me. Right there. Oh... yes, baby... I..." Yes, another orgasm. And now she wants his. "Omigod, give me your load, please!" she pleads. She doesn't have to ask him twice. Charles pulls out and splashes an impressive release on her titties. She smiles and rubs it in. Yet another happy ending. ♠

RACK-JACK PARTY

I was partying with a bunch of friends when suddenly a hot girl – a little tipsy and a little loud – started complaining how her boyfriend always bought the wrong-sized lingerie for her. Bras always too tight, panties always too big.

"Maybe I'm saying you've got a big ass," her boyfriend joked. Then another guy chimed in, saying he could tell just by looking what size bra a girl wore.

Some of the girls called him on it, and he was pretty good – no more than one cup size out, and dead on with most of his estimates. Then, to a chorus of laughs, they told him to guess my size.

I'm petite in height, but my tits are a 36GG, all natural. He told me to stop jiggling them so he could focus, then said maybe he'd need to feel them, just to be sure. "Go for it," I dared him, saying he'd better get it right now. Well, he got the 36 but said I was an F.

When I said GG, he pretended not to believe me, so I showed him the label in my bra. That got the other guys baying for me to show them my rack.

No problem. I wasn't even drunk, I just love flashing my tits! I jiggled them again, and some guy bet I couldn't suck on my own nipples.

Another easy win for me. I raised my boobs up to my mouth and got sucking – both tits in turn to prove my point. Then some guy said he bet I couldn't suck his spunk off of them.

Couldn't or wouldn't? I told him to get jerking.

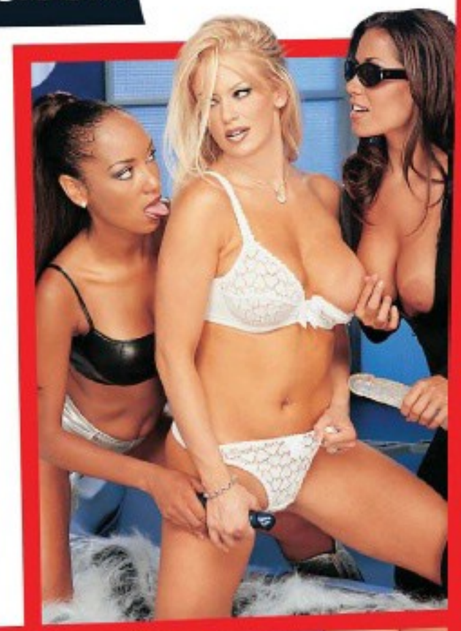
He looked surprised but didn't waste any time, pulling his dick out of his shorts and stroking it stiff. "And you?" I asked, pointing to another guy. "I always figured you'd have a huge cock."

He seemed kind of shocked, then flattered, and it turned out I was right. Now I had two big cocks being jerked towards my boobs. I told them not to be shy, to rub up against them, and soon more guys were joining in.

I can't even say how many in total. The fourth guy to join in was the first to jizz all over my orbs, and he was immediately replaced by someone else, who was already jacking in the next row. One more squeezed in and as soon as someone came, there was always another guy to take his spot.

The first big splat of spunk felt so warm on my boobs and had barely cooled

The first big splat of spunk felt so warm on my boobs and had barely cooled when I took the next. My rack was swimming in jizz



when I took the next. Finally, the first guy, Mr. Size Expert, couldn't hold back any longer, and by the time he and then Mr. Big Dick had drained their nuts, my rack was swimming in thick, pearly jizz.

One of the other girls who didn't seem to like me being the center of attention came over and began dipping her fingers in the cum, and licking them. It was a night for dares and so I invited her to lap it up directly off of my tits.

She gave me a nasty smile, pouted her lips and took a few delicate, kitty-cat licks. Then she just rammed her face in between my boobs, cupping and kneading them around it. Then she and a girlfriend made out, their kisses wetter from the mess.

A few of the guys went to watch them, but now Mr. Big Dick grabbed me for a kiss. I got a round of applause as I followed him upstairs, and as we made out he played with my tits.

I wanted some of his beautiful big dick and I wasn't caressing it for long before his hand was in between my thighs, finding out just how wet all the tit-play had gotten me. I laid him on the bed then sat on him, with his dick along my slit, getting soaked root to tip.

It was my intention to guide it into my snatch, but as I felt it touch up to my asshole, I eased it in there instead. I'd done anal before, but never with a guy as big as this – but once he was plugging me and playing with my clit, I couldn't stop cumming.

And he was the luckiest guy alive – face in between my humungous rack and dick wedged in the crack of my bubble butt while we fucked ourselves to a spunk-soaked climax...

JENNA, CRYSTAL & CHARLIE

Faced with Jenna Jameson, knowing which bit of her to get nasty with first presents a dilemma. Do you make the most of those luscious lips, or suck on those hot tits first? Maybe you should go for the pussy before anything else, but then that leaves her ass unmanned. Choices, choices. Which is why Crystal brought her girlfriend Charlie along to fuck Jenna – they can please the legendary fuckstress from all angles.

Crystal decides to start down south, licking the tip of a dildo before easing it into Jenna's soaking pussy. Charlie, meanwhile, thrusts her tongue into Jenna's mouth, then gets herself a faceful of tit. But Jenna isn't a passive fuck – she wants to get her fingers and chin sticky too, so while Crystal fills her cunt with plastic, she asks Charlie to sit on her face and let her taste her juices.

All you can hear are moans and slurpings as these three do their damnedest to get each other off, and it turns out they're all the kind of chick it takes two to tangle with... ♠

I decided that enough was enough. I needed a big cock and wasn't going to rest until I got eight inches inside of me that very day

MILLIONAIRE MUFF

When I married Walter three years ago I thought I had it made. To the outside world I did. Within a few months I had traded in my simple country life for one of grandeur that included a multi-million dollar mansion, a staff of servants to cater to my every whim, platinum credit cards and shopping sprees galore. At first my situation seemed ideal, until I realized that marrying Walter meant I would never have filthy hardcore sex ever again! You see, Walter is an aging tycoon, many years my senior, and I'm a hot slut with big tits and a juicy pussy used to getting stuffed on a daily basis.

After months of fucking myself senseless with every vibrator on the market and humping on stacks of pillows to get myself off, I decided last week that enough was enough. I needed a big cock and wasn't going to rest until I got eight inches packed inside of me that very day.

It was then that I heard the loud noise of the gardening crew mowing the lawn and clipping the bushes. I ran to the window to shut them up when, in mid-sentence, I noticed their tanned, sweaty bodies glistening in the sun and their sculpted muscles begging to be licked by my exploring tongue. My plan was set and it was high time for them to earn their keep by attending to me!

I walked outside wearing the skimpiest leopard print bra and panty set and the highest stiletto heels I could find. Needless to say, all work came to a halt as soon as the three guys took one look at me.

"Senora, can we help you?" Pablo, the eldest of the bunch asked, licking his lips. I walked right over to him and grabbed

Journal-plaza.net

the bulging cock that was busting out of his pants. He immediately looked around to see if anybody of importance was watching. When he saw that the coast was clear, he unzipped his pants and placed his fat Mexican sausage into the palm of my hand.

It was un-fucking-believably arousing and I immediately started to jerk him off by twisting both hands around his pole and offering up trails of saliva to help keep the action wet.

"What are you waiting for, guys?" I said to the other two, who were standing watching in disbelief. "Get those cocks out!" Within moments both men came to me with their boners in hand.

I knelt down and began to work Pablo's wang into the back of my throat. My tongue was going wild sucking and licking up and down his shaft and around the rim of his thick foreskin. Antonio and Miguel stood on either side of me getting their cocks jacked. Soon I had grass stains on my knees and was getting cock slapped across my forehead while my lips got repeatedly guided from one hairy crotch to another. I was in absolute heaven! They were diving fingers into my asshole and twat between their turns to get sucked.

After each dick was sufficiently sucked, Antonio and Pablo laid me down on the grass, pulling my legs open so Miguel could wedge his tongue up my throbbing hole. His pussy eating skills were so good he had me cumming again and again until I lost complete control over myself and my gushing gash. Each guy got a turn to lap up my beaver before Antonio rolled me into a doggie squat and shoved his stick inside me. He dug his nails into the sides of my hips while Miguel kept his cock wedged down my throat. After about five minutes of solid fucking, Pablo practically threw Antonio off of me and continued in my ass.

"So tight!" he yelped in a thick Spanish accent as he tried to get all of his cock inside. Miguel also got his turn to ride my ass before each in turn jerked his spicy hot salsa into my mouth.

Now I'm as satisfied as can be and have changed their working status to full-time employees, giving them the added daily task of attending to my bush!

REDHEAD IN HIS BED

I'm writing this with the taste of spunk and pussy still on my lips. My sex life with my boyfriend Peter had gotten a little stale, and so we decided to arrange a threeway to spice things up. And when I asked what kind of woman he'd like, he already had someone in mind – my friend Charlotte. He said he'd never fucked a natural redhead before, and she certainly fits that description. When I set it up with her, I asked her not to shave her pussy so he could see she was the real deal!

Peter and I were watching a porno when Charlotte arrived, and I told her to get busy. I was the one who'd gotten jaded recently, too tired after work to fuck, or just taking Peter's dick for granted. I figured that seeing some horny girl enjoying his meat would strike a spark, make me appreciate what I had. So we made a deal. He wouldn't touch me till I begged him for a balling.

They only got as far as making out before I rediscovered my lust for my man. My pussy tingled as he sucked on Charlotte's tits and I was just as horny as he was by the time he licked his way down for an eyeful – and a mouthful – of that cute little fire-crotch! My snatch was throbbing with every lick and Charlotte was twisting and humping on the bed. Peter kept reaching down to jack his dick, and Charlotte offered to do it for him.

He shuffled forward just out of her reach, his other hand fingering her hole. Then he decided where she was going to cop her first feel of his dick. Slow and

Journal-plaza.net

smooth, he slid it into her twat, his thumb slipping into the very top of her slit, teasing her little pink button as his fingers ruffled her pubes.

Almost instantly, she began cumming around his cock, and I moaned along as my own fingers crept inside of my snatch. But Peter told me to quit – I wasn't allowed to cum until he or Charlotte made me.

He'd never normally act so dominant, but I liked it. I almost came just from watching him bone my girlfriend, hearing him tell me to look at her taking his cock, see how much she loved it. And Charlotte didn't have to put on a show – you can't fake body spasms and a sex flush even if you want to, and she was cumming hard, thrashing on the end of his dick.

I saw the signs that he was ready to cum too, the way he clamped his arms around her legs, so he could plow in deep. Then he juddered as his jizz spurted into her. It gushed out as he pulled clear, still hard but too tender for me to touch, let alone suck. He spread her lips, rubbing on her clit so I could see her orgasm again. Then told me to suck her clean.

I just dove down, burrowing my face between her thighs. I hadn't eaten pussy since about a year before I'd hooked up with Peter, but now I couldn't suck down enough of those sweet juices, creamed and salted with his load.

"Okay, honey, please fuck me now," I asked, and he began to play with my ass crack and slit, spreading them with his hands on the outside edges. He often did this just before sticking his cock inside, but now he made me wait. He didn't want to be told, he wanted me to beg for his dick.

Hey, I'm not proud, but when I begged he still teased me, rubbing his moist tip all over my ass cheeks. It was only when Charlotte told him, "Fuck her, I want to see it," because the suspense was killing her too, that his prick pushed into my cunt at last.

He screwed me slow, grinding my face into her crotch, and soon both of us were moaning with pleasure. "Cum inside me," I groaned as I came up for air, and he did, before getting me to straddle Charlotte's body and frig off over her.

As he recovered, he had me fetch his laptop so I could write you guys what had just happened. As I'm typing out these words he's sixty-nining with Charlotte, eating her tight ginger snatch as she tongues his cock. I don't know how he's planning to fit me into this fun but he wants me there now so I'll sign off and rejoin the action!

CABIN FEVER

Last winter, five of my sorority sisters and I took a road trip to the mountains for a week of snowboarding and skiing. The first few days were absolutely exhilarating, with each of us making great use of the snowy slopes and dangerous high jumps.

What happened after that was more than I could have ever expected and is precisely why I'm sharing my horny story with all you *Confidential* readers.

For the rest our week we were completely snowed in. For a bunch of girlfriends this posed no problems at all. We passed the time dancing, playing drinking games and snuggling up with one another beside the fire. It was when Sarah brought out an empty wine bottle that things got a little out of hand.

"Let's play spin the bottle!" she said, arranging us in a circle on the furry rug. She spun the bottle first, with the mouth pointing at me. I crawled over to her and gave her a sweet little kiss. To my surprise, she grabbed me by the back of the hair and shoved her tongue down my throat. Although I was shocked, I must admit that her bold display and the strawberry taste of her tongue really had me turned on.

Erica grabbed the bottle from me and insisted she go next. Eager to make out with Bella, Erica cheated, making sure the bottle pointed in her direction. To get

Journal-plaza.net

one-up on Sarah and I, Erica ripped off Bella's T-shirt and began to bite and fondle her thick nipples while sucking on her puffy lips. Now the action was really heating up and every one of us in the room was anxious to be chosen.

Next it was Valentina's turn to spin herself happy. She did and the bottle pointed directly to Adrienne, who clapped with excitement. They continued the game of one-upping us. Valentina rolled Adrienne over into a doggie squat and shoved her face up against her pussy and asshole to take giant licks of her tight collegiate cooze. "Damn, you taste so sweet and salty," Valentina purred.

Finally the bottle came to me. I gave it a spin and it landed right smack between Bella and Valentina. "Guess I get both of you bitches!" I giggled, arranging my girls on their backs with their legs spread so I could get a mouthful of each beaver. Before I knew it, Sarah was behind me eating my asshole while Erica ran to the bedroom to grab our box of goodies. She came out wearing a hot pink strap-on cock that she used to vigorously pork Adrienne's ass.

From there, we became a mish-mash of humping bodies. To my left were Adrienne and Sarah grinding their pussies together like crickets until gobs of girl glue practically cemented them together. Erica stood over the action, dangling her faux cock in and out of Sarah's open mouth.

Valentina was on the other side sharing a double-ended dildo with Bella, while I hiked my leg over Bella's face to get my pussy polished by her expert tongue. She was the one I really wanted.

When she finally freed herself from Valentina, I locked legs with Bella and ground on her clit with mine until our groins bubbled over with juicy pop. "More, more, more!" Bella began to scream as her orgasm seemed to intensify with each moment.

When she was finished puddling, I moved between her legs to lick up her tangy squirt. She held my head in place and kept me there for several seconds to ensure my face came up soaking wet.

When we were through we both fit strap-on cocks around our waists and went after Sarah. "You're gonna get it!" we taunted her, as Bella tackled her to the floor and slipped her cock into Sarah's ass in doggie. I scurried underneath to take control of Sarah's pussy. When Erica caught wind of this she donated her mock cock to the party as well, shoving it down Sarah's throat to make her completly airtight and in strap-on heaven!

Valentina and Adrienne cheered us on for a while before getting cock-tackled themselves once we were through with

I moved between her legs to lick up her tangy squirt. She held my head in place to ensure my face came up soaking wet

Sarah. Valentina got it just as good as Sarah did, while Adrienne chose to be the human vacuum cleaner in the situation.

We stayed indoors fucking for the rest of the week and were literally saved by the weather once the sun came out. It forced us to untangle from each other's slits and venture back outside for some more fun. Needless to say, it was the trip of a lifetime!

HOW TO BE A STUD!

PART 19: MASTERING THE 69

You might think that 69's are an easy thing to do, but you'd be wrong. Despite being one of the most famous porn positions, it can get a little tricky. What started out as a nice idea can quickly turn into you suffocating a chick with your ass. 69's are especially great if your chick is a less than generous cocksucker – this way she gets a treat while you get your dick wet. It's win-win, but only if you do it right...

1: TOP OR BOTTOM?

It's easy to get this wrong in the heat of the moment, but if there's one thing we've learned from experience – and watching a ton of porno when experience has been a little thin on the ground – it's that the guy has to go on the bottom. Why? Well, chances are you weigh twice as much as the chick you're with and you don't want to crush her. It also means she can control how much dick she sucks, rather than having it dangling in her face or shoved down her throat.

Adrianna Lynn in what looks like a '69' from Digital Playground's *Cheerleaders*.

Stormy gets into position in Digital Playground's *Band Camp*.

Jada Fire is happy to go on the bottom in Digital Playground's *Control 6*.

2: SLIDE TO THE SIDE

You on the bottom is all well and good, but craning your neck up for a long time takes its toll too. So if the two of you plan on eating for a while – and there's nothing wrong with a healthy appetite – think about 69'ing on your side. That way, you can both rest your head on the other's inner thigh. As a bonus, you get to share the carpet burns.

3: GIVE AS GOOD AS YOU GET

A common complaint from 69'ers (yeah, we know, people still complain when they've got a face full of pussy or dick) is that their partner gets too caught up in the pleasure they're getting to concentrate on their own end of the bargain. It's easy to imagine why: getting killer deepthroat brains from your chick can make it hard to eat that cunt just right. If you find that you're not giving as much as you're taking, you'd be better off sticking to going down on each other in turn.

Brandi Edwards and Alex Gonz get a faceful of each other in New Sensations' *MILF Date 3*.

Audrey Bitoni keeps her end of the bargain in Digital Playground's *Control 5*.

An exemplary 69 from Memphis Monroe and Tommy Gunn in *Control 9*.

4: ASK BEFORE THE ASS

So, you're lying on your back, your cock getting swirled around a hottie's mouth, while your face is full of dripping wet pussy smearing your chin with sweet juice. It's easy to think that you've just been given the keys to the candy store and a 'Free Dentistry for Life' card. But think before you decide to stick your tongue in her butt. Will she moan with pleasure and attack your cock all the harder, or will she spit it out and ask you exactly what you think you're doing? Know the boundaries before your 69 becomes a 68 and she owes you 1... ♠

MY SEX LIFE!

"I FUCKED ALL THREE!"

Last week myself and two girlfriends went into town. I was dressed to kill with a top so low my big tits were almost falling out of it. As you can imagine I was getting a lot of attention from all the guys.

We were sitting at a table in a bar when two guys, I'll call them John and Mick, came over and sat with us. They were talking about my tits and generally making it clear they wanted to fuck me. I was out for a good time, so I said goodbye to my friends and left with the two guys.

When we got to their apartment, their roommate, I'll call him Roger, was watching a porn movie and I could see a big bulge in his pants. John went to get some drinks and I sat on the sofa between Mick and Roger. Right away Mick was all over my tits, pulling them out of my top for a good sucking. Roger joined in and they sucked a nipple each.

Soon I was laid back with my legs wide open and my finger rubbing my clit. I was already cumming when John came up behind me and pulled off my top so my tits were fully out.

Mick got between my legs, **pulling my panties to one side** and licking my wet cunt. John pushed his cock into my mouth, and I started jacking Mick off.

Then I realized Roger had gotten his camera out and was snapping away as the other two groped me, so I posed for him for a while before we moved to the bedroom. They stripped me naked and lay me on the bed, my legs spread.

Roger got on top and thrust **his cock into my soaking** pussy, working a finger up my tight asshole while I took turns to suck the other two. It felt so good but I needed more than a finger in my ass! I got on my hands and knees and John got behind me and slid his cock into my butt.

The other two were fingering my pussy hole and rubbing my clit while I sucked and jacked them in turn. It felt amazing to have three cocks **to please me and I started** cumming uncontrollably.

All three guys took a turn in my pussy, ass and mouth before feeding me their jizz. When I got home later that night I was still leaking cum from every hole, and I was so turned on by my experience that I called my favorite fuckbuddy and invited him over to fill me with my fourth cock of the night! ***"Hump Happy" – New Mexico*** ♣

THE club Confidential HOT LIST

No.1 CONTRACT COOZE!

So many new girls, so many new DVD's, so many awards ceremonies, so much news. How do you decide what's important? At *Confidential*, we just let our dicks decide. If it's hard, it must be hot. This month, we've been obsessing on those studio girls who haven't just been given a contract because they're pretty – but because they fuck something special. It used to be that a major studio signing you up was the cue for you to do your worst work – well, happily those days are long gone. Now we're in the days of big names fucking like nasty gonzo girls, and here's a dirty half dozen who inspire us to spurt...

JESSE JANE

(Digital Playground)

This 5' 2" bundle of sexiness has combined Texan cheerleader good looks with voracious cock-gobbling to wondrous effect in the last couple of years. Inspired to get into porn by Tera Patrick, she's spent her entire career at Digital Playground and is an electric performer, despite the fact that she's so small that any cock above seven inches more or less pops out of her mouth when you fuck her with it. No anal on her resume, but it's always nice to hold something back.

BREE OLSON (Adam & Eve)

The winner of 2008's Best New Starlet gong at the AVN awards, Bree Olson earned that the good way with a string of searing sex scenes that left her fanbase spent. Signed to Adam & Eve, she could have played safe and, while she does her fair share of standard couples porn, she still throws down with the big dicks when it matters. Her other AVN award is for best anal sex scene, which tells you all you need to know about the true nature of this natural hottie.

HANNA HILTON (Vivid)

Hanna doesn't do anal. Damn it, she doesn't even do blowbanga. So why is she on this list? Because Hanna has the looks to make a fortune just by being a glamour model. Those 34DD beauties could be the passport to riches as an internet darling, soaping them up on a webcam. But that's not Hanna's path; her plan has involved signing to Vivid Entertainment and wrapping those funbags around the cocks of fortunate studs.

SADIE WEST

(New Sensations/Digital Sin)

Melting eyes, plump lips and ass that starts uptown and heads all the way downtown, Sadie West is definitely built for sin. Discovered and signed by New Sensations / Digital Sin in 2008, Sadie joined Ashlynn Brooke in their stable, but has a slight edge on her in the fucking stakes. She just looks like she loves having a dick in her. We can ask no more.

STOYA (Digital Playground)

Digital Playground isn't short of contract girls, and they're balls deep in A-listers too. But Stoya brings a cool edginess to the studio, her alt.porn looks combining with some gonzo sex chops to make the complete porn star. 2009's best new starlet could, like Hanna Hilton, be famous just for looking pretty on the internet, but after two years in porn she's taking rods in her tightest hole like a champ. A quick office survey found that 100 percent of male staffers wanted to put their penis in her. If that isn't a ringing endorsement, what is?

jessica drake (Wicked)

The lower-case lovely has been in porn for ten years, almost all of it as a contract girl, first with Sin City and later with Wicked Pictures. With cut glass looks and real style, she's made award-winning features but, importantly, got nastier with every passing year. She added anal to her A-game a couple of years ago, and won awards for a DP scene in Wicked's *Fallen* in 2009. Still getting progressively filthier after ten years in the jizz biz? That's the stuff legends are made of. ♣

CHRYSTAL & NICK

Journal-plaza.net

Journal-plaza.net

Journal-plaza.net

Nick is a glass half-empty kind of guy. Actually, to be more accurate, he's a miserable bastard. If you believe his take on things, everyone is out to get him, his day job has been created purely to crush his spirit and his buddies keep jerking him around. But if there's one thing he can rely on to lift his mood, it's fuckbuddy Chrystal. He sparks to life when she comes to visit. Well, wouldn't you?

Chrystal knows how to soothe Nick's soul – suck Nick's dick. And she ain't no ordinary cocksucker. She's learned plenty of tricks from watching porno, and Nick is her lucky guinea pig. Tongue swirls, deepthroating, hard jerking, ball sucking, slow licks from root to tip – it's a conspiracy to make you cum. But Nick holds back because he knows the good stuff has only just started, and he's got a cunt with a vise-like grip to look forward to.

Plugging Chrystal's pussy, Nick is happier than a pig in the proverbial, even happier when he makes her buck her way through an orgasm before pulling out to deliver his own coup de grace. Then again, we figure Chrystal has what it takes to cheer any guy up... ♠
